Work Experience:

1999 to present

Legal practice focused primarily on representation of clients in state government affairs, including legislative, regulatory and procurement representation. Clients have included a national property and casualty insurance trade association, national health insurance trade association, life and health carriers, property and casualty carriers, reinsurers, agencies and agents, and entities regulated by, or seeking to do business with, the State of Georgia.

Legislative practice before the Georgia General Assembly

- registering as a lobbyist
- drafting, tracking and monitoring legislation
- testifying at committee hearings and study committees
- advocating for the passage, revision or defeat of legislation, including within the Governor's Office

Insurance regulatory practice before the Georgia Insurance Department, as well as other state insurance departments

- company formation and licensing
- rate and form filings
- examinations, enforcement and disciplinary actions
- revision of regulations
- interaction with the Georgia Insurance Commissioner and Georgia Insurance Department staff on a daily basis
- frequent attendance at the national meetings of the National Association of Insurance Commissioners

Vendor lobbyist before Georgia State Agencies

- representation of clients seeking contracts for services with the State of Georgia

1994 to 1999

Legal practice focused primarily on representation of Georgia Baptist Health Care System ("System") as an attorney with a law firm that served as the System's outside General Counsel (general corporate, regulatory compliance, EEOC and workers' compensation, litigation, and real estate representation). The System was a non-profit and tax-exempt entity comprised of a 500 bed hospital and campus in downtown Atlanta, various community hospitals throughout the state of Georgia as well as nursing homes, medical office buildings and related facilities.

Healthcare practice

- provider contracting, including compliance with Stark and anti-kickback laws
- operational and compliance matters, including Institutional Review Board requirements
- insurance regulatory compliance for Provider Sponsored Health Care Corporation (“PSHCC”)
- employment matters including EEOC and workers’ compensation
- medical malpractice and general defense litigation
- medical real estate acquisition, financing, development and leasing
- Certificate of Need compliance, including Change in Ownership (“CHOW”) issues
- Medicare/Medicaid reimbursement, including cost-report appeals before the Provider Reimbursement Review Board
